

The World's **LONGEST** Driver + The World's **LARGEST** Driver = **THE BIG STIK!**

Designed for Charity Golf Outings Add an easy \$1,000 to your event!

- Everyone gets to hit it on one of the holes.
(We recommend a \$20+ foursome donation.)
- Driving Range Practice (5 swings for \$5 donation)
- Contest Sponsorship (Recommend \$1,000+)
- Sell a driver in a Silent Auction (\$300+)

Contest Hole Set Up

A hole is selected for the contest. A marker is placed at 300 yards. For a \$20+ foursome donation, each player gets to swing the BIG STIK. If no drives pass the 300 yard marker, everyone can still hit the next shot from there. We recommend making it even more appealing by NOT COUNTING THE DRIVE AS A STROKE and placing 4 holes on the green. This almost guarantees a putt at Eagle or Double Eagle, and no foursomes will pass it up!

The Big Stik™

- 5-Foot Telescopic Shaft
- Giant Double-Size Head!
- Completely Illegal
- Hit the longest drives of your life!

www.WorldsLongestDriver.com

The world's longest driver competition was a great success! We set up the hole as you suggested on your website which resulted in a lot of eagles and birdies. The 5-foot Big

Stik added a unique feature and a lot of fun to our outing. Most importantly, it attracted a new corporate sponsor with a \$1,000 contest sponsorship, plus several hundred dollars from the \$20 foursome donations. This is a winner for charity golf outings.

Tom Onjukka, Executive Director

Great addition to our event, it added both revenue and fun.

Frank J. Perez, Board Chair

Thank you for the opportunity to sponsor, "The World's Longest Driver Contest Hole" at the golf outing yesterday. This was

an easy decision for us...to support a worthy charity with a \$1,000 sponsorship and to get our company message in front of everyone at the event in the context of a unique and fun competition. Count us in to do it again next year.
