

We Invite You to Sponsor *The World's Longest Driver Contest*

Everyone at our outing will be able to hit this giant Five-Foot Long Driver with the world's largest DOUBLE-SIZE head!

This unique telescopic-shafted driver can smash the ball out of sight if you can time it just right! Some hit massive drives while others swing and miss. It's fun to try...and fun to watch.

We will let people practice with it on the driving range before the event starts for a donation of \$5 for 5 Swings!

Then everyone will be able to hit it on one of the holes for a foursome donation of \$20. We will add some elements to this hole that will motivate everyone to participate, including a guaranteed 300 yard minimum drive and a prize for the longest drive with this club.

We will then auction off one of these unique drivers at the end of the event.

We invite you to sponsor **"The World's Longest Driver Contest."** This will include your name on the contest hole sign, in the program, pre-event mail out promotions, handouts, press release, and auction promotions. We will also video the swings and publish it on YouTube, listing your name again.

You can read more about this unique driver and see videos on www.WorldsLongestDriver.com.

Summary of Sponsorship Benefits

- 1) Contest Naming Rights such as, "The [Your Name] World's Longest Driver Contest"
